77

Fragment of an ancient papyrus scroll with faint, illegible hieroglyphs. The fragment is dark brown and heavily damaged, with significant fraying and loss of material, particularly along the left edge. The hieroglyphs are arranged in approximately 15 horizontal lines. The fragment is mounted on a dark, possibly black, background. There are two rectangular pieces of clear adhesive tape: one at the top center and one at the bottom center. A circular white label is attached to the bottom right corner of the fragment.
